

BULB REPLACEMENT

(Refer to the maintenance precautions on page 61).

Headlight/Position Light Bulb

▲WARNING

- * **The light bulb becomes very hot while the light is ON, and remain hot for a while after it is turned OFF. Be sure to let it cool down before servicing.**

CAUTION:

- * **Wear clean gloves while replacing the bulb.**
- * **Do not put finger prints on the headlight bulb, as they may create hot spots on the bulb and cause it to break.**
- * **If you touch the bulb with your bare hands, clean it with a cloth moistened with alcohol to prevent its early failure.**

NOTE:

- * **Be sure to turn the ignition switch OFF when replacing the bulb.**
